Kids Canvas Painting Guide

You will need: Preprinted 8 x 10 canvas, acrylic paints, large and small brushes
Water, paper towels, and a palette or paper plate

Ready-to-use paints: light blue, tan, cream, brown, green, yellow, pink, black, and white. No mixing needed.

1. Light blue sky

Start on the preprinted canvas. Brush a thin light blue coat around the owl, branch, leaves, and stars. Keep those shapes white. Rinse and blot your brush. Let dry.

2. Branch and leaves

Paint the branch and little stems brown. Rinse and blot. Paint all five leaves green. Use the small brush at their tips. Keep the owl and stars white. Let dry.

3. Tan feathers

Paint the outer head feathers, both wings, and body tan. Follow the feather shapes with short strokes. Leave the heart-shaped face, eyes, beak, and feet white. Let dry.

4. Cream face

Paint the heart-shaped face cream. Use the small brush near the eyes and feather tips. Leave the eyes, cheeks, and beak white. Let the cream dry.

5. Bright details

Paint the beak, feet, and four stars yellow. Rinse and blot. Paint both cheeks and inside the mouth pink. Let each color dry before painting beside it.

6. Eyes and drying

Use black for the dark eye shapes, eyelashes, and eyebrows. Keep the white eye rings and add white shine dots. Lay the canvas flat to dry. Wash brushes and wipe your palette.
