

Autumn Ghost

Acrylic Painting Guide

Materials: Preprinted 8 × 10 canvas • Acrylic paints • Large and small brushes

Water cup • Paper towels • Palette or paper plate

Paints: white, black, red, yellow, blue, green, brown, orange

1. Start with the outline

Protect your table. Follow the preprinted lines. Keep the background white. Use thin coats; rinse and blot between colors.

2. An ivory-white ghost

Mix white with a tiny touch of yellow and brown for ivory. Paint the ghost and hands, keeping the bow, cheeks and pumpkin clear.

3. Shade the folds

Mix white with a touch of blue and a speck of black. Add soft shadows beside the printed folds; blend into the ivory.

4. A rich plum bow

Mix red with blue, then a little brown for plum. Paint the bow loops, knot and ribbon tails in thin coats.

5. The little pumpkin

Paint the pumpkin orange. Follow its curved sections from the stem toward the base; keep the stem and hands clear.

6. An earthy green stem

Mix green with brown for the stem. Pull small strokes along the bend; add a little yellow to brighten its upper edge.

7. Warm cheeks & smile

Mix white with a little red and a tiny touch of yellow for peach-pink. Fill the two cheek ovals and the tongue.

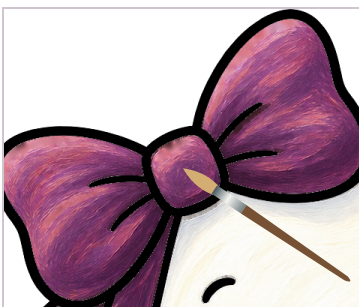

8. Shape the bow folds

Add a little black to the red-blue-brown plum mix for deep folds. Add white to that plum mix for lighter ridge strokes.

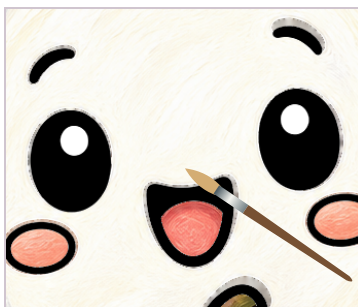

9. Pumpkin ribs & glow

Mix orange with brown for narrow groove shadows. Mix orange with yellow and a little white for curved rib highlights.

10. Bow-edge highlights

Let the bow dry. Mix red and blue with white for pale purple. Skim the upper bow edges with a lightly loaded small brush.

11. Brighten the expression

Use black to tidy the eyes and smile. Add tiny white eye dots. Use white along the forehead and hand edges for soft light.

12. Dry & clean up

Lay the canvas flat until fully dry. Wash brushes, wipe the palette and close the paint pots.

Thin coats • Let layers dry • Enjoy painting
