

Highland Cow

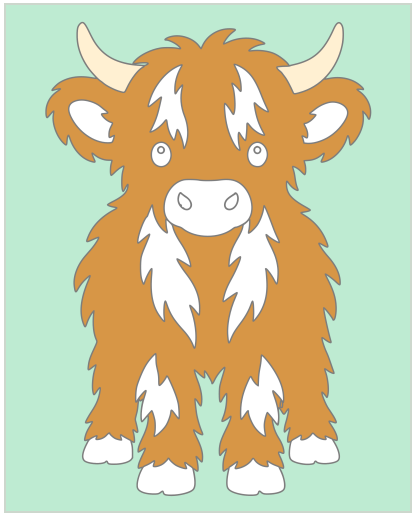

Acrylic Painting Guide

Materials: Preprinted 8 × 10 canvas • Acrylic paints • Large and small brushes
Water cup • Paper towels • Palette or paper plate
Paints: mint green, caramel tan, dark brown, cream, pink, black, white

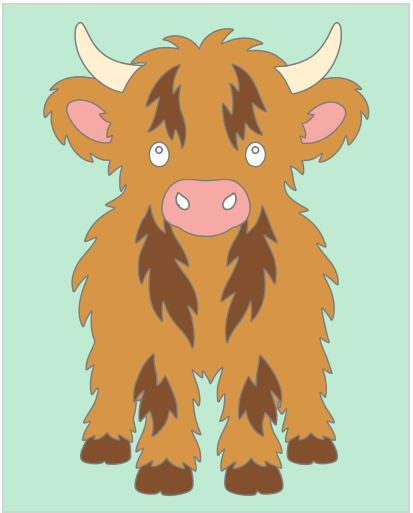

1. Paint the background

Cover your table. Start with the printed canvas. Paint mint green around the cow. Keep the cow white. Use thin coats; rinse and blot your brush between colors. Let dry.

2. Paint the coat and horns

Paint the coat caramel tan with downward strokes. Leave the marked tufts, hooves, ears and face details white. Paint both horns cream. Use a small brush near the edges. Let dry.

3. Add pink and brown

Paint the inner ears and big nose pink. Keep the eyes and nostrils white. Paint the marked tufts and four hooves dark brown. Pull strokes toward each tuft tip. Let dry.

4. Finish the face and dry

Paint the eyes and nostrils black, leaving the eye sparkles white. When dry, dab white on each sparkle. Lay the canvas flat to dry. Wash your brushes, wipe the palette and close the paints.

Thin coats • Let layers dry • Enjoy painting
