Paint the face white. Paint the ears, eye patches, nose and body black. Leave the two tiny eye circles white. Use a small brush near the edges. Let dry.

3. Paint the bamboo

Paint the long stalk and thin twig light green. Paint the five leaves dark green, brushing from the bottom of each leaf to its pointy tip. Let dry.

4. Finish the face and dry

Paint the bamboo rings dark green. Trace the smile lines black. Add a white shine on each ear and the nose. Lay the canvas flat to dry. Wash brushes, wipe the palette and close the paints.
