Halloween Gnome Painting Guide

Materials

Preprinted canvas • Acrylic paints • Large and small brushes
Water cup • Paper towels • Palette or paper plate
Paint colors: white, black, red, yellow, blue, green and brown

1 Set up your canvas

Cover your table. Follow the printed lines. Use thin coats; rinse and blot your brush between colors.

2 Paint the sky

Mix white with a touch of blue for pale blue. Paint around the outlines; leave every shape white.

3 Ground, moon & bats

Mix white with a little brown for the ground. Paint the moon yellow and the bats black.

4 Hat, brim & coat

Mix red and blue for purple; add a little white. Paint the hat, brim and coat. Leave the band and buckle white.

5 Pumpkins & hatband

Mix yellow with a little red for orange. Paint the pumpkins and band, including the buckle center. Leave faces and stems white.

6 Nose & shoes

For peach, mix white, a little yellow and a tiny touch of red. Paint the nose peach and shoes brown.

7 Fluffy white beard

Paint the whole beard and mustache white. Mix white with a speck of black for light gray; add curved, downward strands.

8 Stems & buckle

Paint pumpkin stems green and the buckle rim yellow. Let these base coats dry before adding details.

9 Brush in shadows

Mix red and blue with a speck of black for hat folds. Mix yellow, a little red and a touch of brown for pumpkin grooves.

10 Make them smile

Once the orange is dry, use a small brush and black to fill both pumpkins' printed eyes and smiles.

11 Add soft highlights

On dry paint, add short white strokes to the nose, shoes, buckle and pumpkin tops. Finish with fine white beard strands.

12 Dry & tidy up

Lay the canvas flat until completely dry. Wash brushes, wipe your palette and close your paint pots.
