

Highland Cow

Acrylic Painting Guide

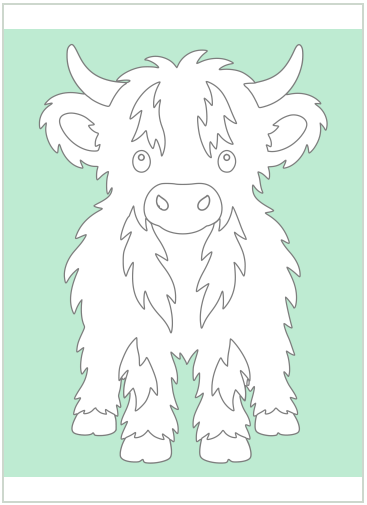

RIVER AND RIDGE
PAINT-YOUR-OWN

Materials: Preprinted 8 × 10 canvas • Acrylic paints • Large and small brushes
Water cup • Paper towels • Palette or paper plate
Paints: mint green, caramel tan, dark brown, cream, pink, black, white

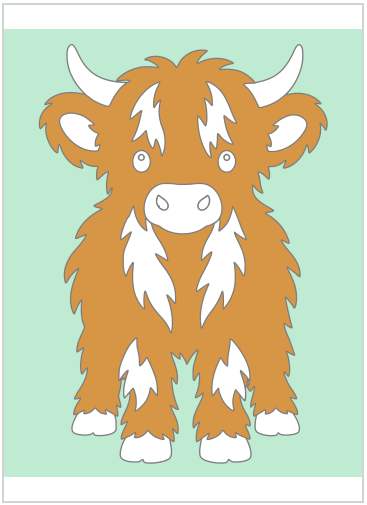

1. Get ready

Cover your table. Start with the printed canvas. Use thin coats. Rinse and blot your brush when you change colors.

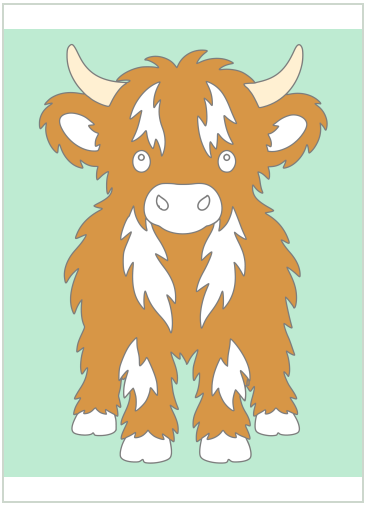

2. Paint around your cow

Use mint green and the large brush around the cow. Use the small brush near the shaggy edges. Keep the cow white. Let dry.

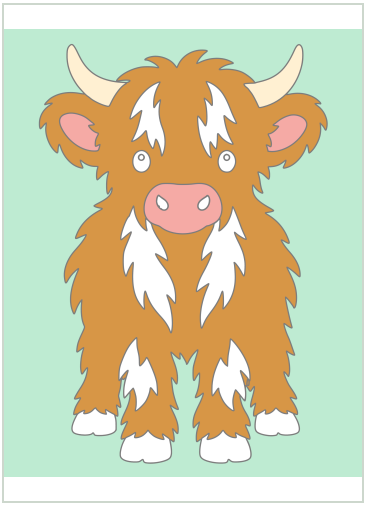

3. Caramel coat

Fill the coat with caramel tan. Pull your brush down the fur. Leave the marked tufts, hooves, horns and face details white.

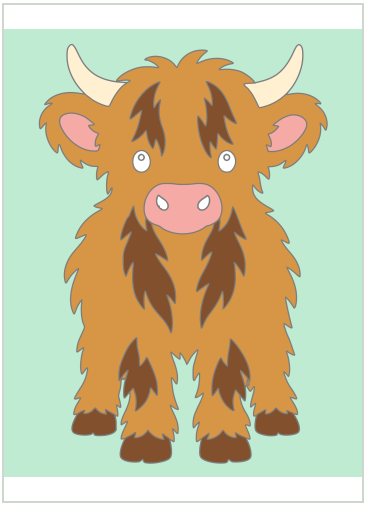

4. Cream horns

Paint both horns cream with the small brush. Follow each curve from its wide base to its tip. Let the coat and horns dry.

5. Pink ears and nose

Fill the inner ears and big nose pink. Leave the two nostril shapes white. Use small strokes near the edges. Let dry.

6. Brown shaggy tufts

Paint the marked tufts and all four hooves dark brown. Pull strokes toward each tuft tip. Keep the eyes and nostrils white. Let dry.

7. Make a friendly face

Paint the eyes and nostrils black. Keep each eye sparkle white. When dry, dab white on the sparkles with a clean small brush.

8. Dry and tidy up

Lay your finished canvas flat until dry. Wash and reshape the brushes. Wipe your palette and close the paint pots.

Thin coats • Let layers dry • Enjoy painting
