1. Get ready

Cover your table. Start with the preprinted pumpkin canvas. Keep the background white.

Use thin coats. Rinse your brush and pat it dry when you change colors.

2. Paint the pumpkin

Use orange for every pumpkin section. Paint around the eyes, nose and mouth.

Paint both teeth orange. Leave the stem and face openings white. Let the paint dry.

3. Paint the stem

Use olive green for the stem. Follow its bend with your brush.

Use a small brush near the black lines. Let the stem dry.

4. Finish the face

Use black for both eyes, the nose and the mouth. Paint carefully around the orange teeth.

Check the edges, then lay the canvas flat to dry.

Lay your canvas flat to dry. Wash your brushes and close the paint pots.
